

North Arkansas District Church of the Nazarene

2018 Women's Retreat Information and Registration Form

Your \$180 registration fee includes:

- ◆ Two nights stay at Thousand Hills Resort Condos
- ◆ Three delicious homemade meals at the Keeter Center: Friday dinner, Saturday lunch and Sunday breakfast
- ◆ Three sessions at the Keeter Center with Shannon Perry, along with wonderful praise and worship. Because Thousand Hills requires a two-night stay, those needing to stay ONE night must either pay the full registration price for both nights, or register for meals and sessions only and stay at another location.

If you are unable to attend, you may find a replacement or forfeit your full registration fee.

Check in will begin at 4:00 pm at the Thousand Hills Clubhouse. Early birds will have to wait until then. Please send one representative per condo to check-in at Thousand Hills and pick up the registration packages, room keys, and T-shirt orders. If you are not attending with a group/church, you may pick up your individual registration package at check-in.

Thousand Hills will not handle booking or money for this retreat. Our Registrar, Emily Hillian, will receive all payments with registration. Each condo has 1-4 bedrooms, 1 full bathroom per room, a fully equipped kitchen, and a washer and dryer. The condos will be assigned using the maximum sleeping capacity per rooms without hide-a-beds. Our registrar will coordinate the appropriate size of condo(s) to best accommodate your needs in conjunction with Thousand Hills availability. We will do our best to split condo/sizes as you request. Please understand that there are no promises.

Those sending registrations not post marked by August 10th are not guaranteed registration and will need to include a \$25 late fee per person. Due to deadlines imposed by Thousands Hills, we cannot accept lodging registrations after August 20th.

We love children, but to maintain a peaceful and relaxing retreat for all our wonderful ladies, please no children at the Keeter Center. Thank you for understanding.
