## From the President's Pen

Greetings, Fellow Missionaries:

I trust your church year has started off well, and that you are experiencing God's blessings in all that you are doing for the Mission. Was your Alabaster Offering a record for your church? Let me know of your successes, and also of any methods you used to make it a success.

Our District will be sending a team during the month of October to help the Orange, Texas, Church to recover from the floods from Hurricane Harvey. If you are interested in being a part, contact us. We will make sure you make the right connection.

We have bad news to share concerning the Work & Witness trip to Panama. Due to various problems we have been forced to cancel the trip. Our first problem was communications with our contact person in Panama. Our second problem was participation. We simply did not have enough people who had committed themselves to the trip, and time was running out to finalize travel and housing. We apologize for any complications this causes any of our prospective team members, but we simply could not see any alternative. Kevin Rector left the District

in August, and Brad Angell has agreed to take his place. We will be planning another trip as soon as we can, so keep your eyes peeled and your ears open!

Our first District Missions Tour will begin this Month. The purpose of this tour is to endeavor to keep the importance of World Evangelism front and center on our District. We have engaged the services of Geneva Silvernail for this tour. Some of you have had the privilege of hearing her. She did address the convention one year ago in Rogers. She is a retired missionary living in Rogers. If you google her name you will see the amazing career this servant of God has had. She is one of the best communicators I have heard. I know you will be blessed, so make your plans to bring a large delegation from your church. The schedule is on the first page of this newsletter.

It's not too early to plan for a great World Evangelism Fund offering in November. Remember to advertise and push for push for the participation of your congregation in the Thanksgiving Offering for World Evangelism.

God's blessings as you follow the Great Missionary in fulfilling His last command to "Go into all the World.

*Jim*

## **SUNDAY, NOVEMBER 12 INTERNATIONAL DAY OF PRAYER FOR THE PERSECUTED CHURCH**

**Remember those in prison as if you were their fellow prisoners,  
and those who are mistreated as if you yourselves were  
suffering.**
