

Trinity Community Concert Series * 2018-2019 Season

The Last Whippoorwill Band * Friday, October 26, 2018, 7:30 PM

About 20 years ago, five guys got together to form a Thursday night club, not for poker but for something close to their hearts. Their idea was to play the traditional bluegrass music of Monroe, Flatt and Scruggs, and the Stanley Brothers—tunes that many "bluegrass musicians" seem to have forgotten.

Such was the birth of The Last Whippoorwill Band, a name spun out from the title of Bill Monroe's *The First Whippoorwill*. The band has discovered that many folks truly appreciate the old tunes, and for many young listeners, the classic sound is a whole new experience.

The Whippoorwills have entertained traditional bluegrass music lovers and others all around the tri-state area and the festival circuit. Trinity Community Concert Series is excited to welcome them as they kick off our 29th season!

Atlantic Brass Band * Friday, December 7, 2018, 7:30 PM

Originally formed as the Wheaton Brass Band by Yorkshire-born Herb Roselle in 1984, the three-time National Champion Atlantic Brass Band, is one of the premier volunteer performing ensembles in the greater Philadelphia and Southern New Jersey area. Comprised of professional musicians, professors, educators, and community members, the band is committed to bringing the arts to the community through entertainment, educational collaborations, and fundraising efforts for local schools and charities.

A member of the North American Brass Band Association, the Atlantic Brass Band is a traditional British style brass band. The band's repertoire includes hymns, marches, orchestral transcriptions, pop music, and traditional brass band literature—and, of course, music to help TCCS attendees kick off the holiday season!

The Wind Symphony of Southern New Jersey * Sunday, March 24, 2019, 4:00 PM

Founded in 1965 as the Cherry Hill Wind Symphony, the Wind Symphony of Southern New Jersey has performed wind band music, classical transcriptions, folk, big band, Broadway, movie themes, and marches throughout the Delaware Valley.

The Wind Symphony of Southern New Jersey is a woodwind, brass and percussion ensemble that draws its membership from the region. The Wind Symphony's repertoire includes band classics, new compositions for winds, big band tunes, and pops favorites. Under the direction of Dr. Robert J. Streckfuss, the Wind Symphony has toured Austria and the United Kingdom and has recorded a CD, *Jubilee*.
