Photo/Video Opt-Out Form

Williamsburg Presbyterian Church (WPC) often photographs church events for the purpose of both recording and publicizing our ministry. For the purposes of this form, “photograph” encompasses both still photographs and video footage.

Use of these photographs is strictly for the purpose of providing information about WPC. Rarely will an individual be identified by name, and never without receiving prior written permission to do so. If you have no issue with including your children in such photos/videos, you may disregard this form.

This form allows parents/guardians **to opt out of WPC’s use of photographs of their minor children**. Failure to exercise this option releases and discharges WPC from any and all claims arising out of the use of the photograph or any right that the parent or minor may have regarding the use of the photograph. Once signed, the form will be kept on file until such time that the parent/guardian withdraws the form.

I do not give WPC permission to use photographs of or which include the minor children listed below *(please print)*.
