

INTERNATIONAL STUDENT APPLICATION PROCESS

Thank you for your interest in Rainier Christian Schools! Our school programs are designed to educate and develop each student for the glory of God! This is done by encouraging and strengthening each student's personal relationship to Jesus Christ. Furthermore, the educational focus integrates God's Word into all aspects of the learning experience. Rainier Christian Schools do not stress any specific denominational teachings, but we do strive to emphasize a biblical foundation in all curriculum and programs. In addition to Bible instruction within the classroom, students participate in regular chapel programs and ministry outreach.

Making the choice to study abroad is a large decision, and we want to determine that our schools are a fit for your student. To do that, please see below for the steps of applying for enrollment at Rainier Christian Schools:

**Please note that the student will not be considered enrolled until written approval is given by the Principal, and payment (including international student fee, registration and facility fees) are received at the Administrative offices.*

- Fill out and return the Student Interview form. We request that the student complete this form by his/herself without the help of a translator. Please include either a completed TOEFL or ITEP score.
- Read the School Handbook of the campus to which they are applying.
- Schedule and complete a phone interview with the Principal of the campus to which they are applying.
- Once the letter of approval is received from the Principal, the student, or a representative, will need to meet with a school DSO to complete an I-20 form and submit the International Student Fee, Facility fee, and Registration Fee.
- Complete and submit enrollment paperwork, including all necessary payment, to RCS Administrative Offices.
