Dear RCS Family,

June 2018

The final countdown to graduation and the end of the year is upon us.

Parent Climate Survey results, N = 117.

The mission of RCS is evident in my child's experiences.	The teaching staff is wholeheartedly behind the mission of RCS.	The building leader supports the mission of RCS.	The support staff is wholeheartedly behind the mission of RCS.

The principals and directors began drilling deeper into the data to develop one or two actionable items for the 2018-19 school year. Along with the parent climate survey results, the principals and directors evaluate the staff and student data sets for additional

Operation Curb Appeal, <https://goo.gl/f3r1nr>

I am asking, each Rainier Christian Schools' family to engage with one project between now and August 20. There is something for nearly everyone. In the example below, note the five tabs, KVE-RCMS, RCHS, MVE, LPPC, and MVPC in the lower left-hand corner. Clicking on a corresponding tab opens access to site-specific projects.

Most projects are broken down into two and four-hour commitments. In the example below, a family could select and sign up for the “Prep-for-paint” line item, or “Paint hallway” portion.

For the summer, I'll wear my project-coordinator hat to answer questions, ensure any necessary tools are available on the requested date, and roll up my sleeves to work alongside families or individuals. The goal is to dramatically improve the curb appeal of all campuses prior to the start of the 2018-19 school year.

An update to our [Enrollment Matters Campaign](#) appears on the following pages.

	Activity	Action Taken
1	Parcel Sale	Yolanda Stroud, Office of Security, Facilities & Logistics Services, U.S. Dept. of Education, submitted the abrogation packet to submit to the General Services Administration. We are standing by to learn the decision from the GSA.
2	Master Plan Development	The Board of Directors approved moving forward with the pre-design phase of the multipurpose gymnasium with Bassetti Architects. The pre-design study requires three months to complete and provides a final narrative for all elements of the project.
3	High School Relocation	We are thrilled to have a new, and familiar home for RCHS! There is opportunity to help prepare the campus and classrooms for the start of the 2018-19 school year.
4	Norcliffe Foundation Grant	The self-imposed grant submission deadline is August 15, 2018.
5	Auction Nights	The net proceeds from the auctions yielded \$150K. Thank you for your generous support and impact on our learning community.
6	Website Improvement and Updates	There is a need for someone familiar with Adobe tools who can create new rotator images for the website. Contact Mr. Kelly if interested. Roughly 90% of inquiries for the high school come through our web site.
7	Outreach to Christian parents	All three health and science events were successfully completed.

	with students in public schools	
8	Radio Spots	The KGNW and KCMS radio ads aired intermittently from January through April 12. Our Health and Science Outreach Events, Open Houses, and Annual Auction offered listeners three insights in our education-based ministry.
9	55th Anniversary Alumni Roll Call Celebration and	Board member, Ed White, continues to spearhead the effort to reconnect alumni and capture their stories. Whether someone attended RCS briefly or their entire K-12 experience, their stories are important. We need help to spread the word and reconnect with alumni.
10	RCS Community Impact Day Mt. 5:16	June 1, the Class of 2019 serves the residents of Lea Hill Village HOA to do good. Our first Impact Day is dedicated to two main projects of refreshing the small park for the kids and graffiti clean up.
11	Parent, Student, Staff Climate Surveys	Transportation services are planned for the 2018-19 school year. Currently, a morning run is scheduled from RCMS to RCHS at Black Diamond Camps, and return from RCHS to RCMS/MVE. We need a dependable driver to run other routes. If anyone is interested in driving a shuttle bus for compensation or a tuition discount, please contact me.
12	Research Based Professional Development	Thank you for reviewing the content standards recommended by the RCSD staff. Over 200 reviews of the document occurred during the month of May. The staff begins work to implement the new standards during the summer. Next In-service: August 30 Five Dimensions of Teaching and Learning, Presented by Center for Educational Leadership, UW. 8:00AM-4:30PM
