Epic: Beyond the usual, ordinary or norm... *heroic* or *impressive*:

- _____ V. 5

Expected to see the lame at the temple gate

Expected to see misery (pain and agony) in their eyes

Expected them to ask for money

- _____ V. 5

Lame man...

He didn't expect anyone to call out to him

He didn't expect anything beyond a few coins

He didn't expect much from just ordinary men

He didn't expect God to step in, step up, and step up

He didn't expect to hear "get up and walk"

Peter and John...

They didn't expect to have an opportunity to heal

They didn't expect to see the faith for healing in the lame man's eyes

They didn't expect to have such an impact and in this man's life

They didn't expect to amaze and astound the people

They didn't expect an opportunity to preach the gospel

They didn't expect to get converts (about 2,000) 3,000 Acts 2:41

They didn't change the man's *moment*, they changed his *life*.

They didn't change his *position*, they changed his *condition*

They didn't change his *past*, they changed his *future*.

They didn't change his *opportunity*, they changed his *destiny*.
