

When God Walked Out
Luke 24:1-12
4.12.20

When Jesus walked out of the tomb...

1. *Impossible* was deleted in our lives V. 5-7

- Change your *thinking* V. 8-9

When we think something is impossible, we believe it can't happen
When we believe it can't happen, we give up on it
When we give up on it, it is impossible

Once your mind is free, everything else becomes possible.
Until you change your mind, you won't change anything else.
God walked out to make your impossible, possible.

2. *Doubt* was deleted from our lives V. 12

Wondering fills us with curiosity and doubt
Wondering causes us to question and questions feed doubt
Wondering focuses on the circumstantial evidence

- Let *faith* break the seal V. 9-10

Doubt let's our circumstances tell us how we should feel.
When Jesus broke the seal on the tomb, it sealed our victory

3. *Death* was deleted from our lives V. 5

- Just say *yes* to life **John 11:25-27**

Jesus raising Lazarus from the dead wasn't just about a picture of his own resurrection, it was a picture of ours.

What needs to be deleted so you can be resurrected?
