The choir will be kicking off rehearsals in May for the 5th Annual American Heritage Concert entitled "America: The Great Melting Pot." *And it's still not too late to join!*

As has become tradition, the choir is inviting anyone from our church or the surrounding community to sing with us for this special event, so if you have ever wondered what it would be like to sing with us, now is your chance! Additionally, if you

know of anyone who enjoys singing and would be interested in joining us for the season, please pass this information on to them.

Rehearsals for the concert will begin on Wednesday, May 1st and are every Wednesday night from 7:00-8:00 pm until the performance on July 7, 2019 with the exception of no rehearsal on Wednesday, June 26.

Need more information? Contact Worship Director, Marcie Samuelson at marcie@firstpresleesburg.org or call our church office.

Welcome Visitors! We are honored that out of all the churches in our community you chose First Presbyterian Church. In celebration of your attendance, we have gift bags available to you in the lobby and a happy Greeter there to present it to you. Please take a moment to jot down your information on our Friendship Pad located on the end of each pew.
