COMMITMENT SUNDAY JUNE 7!

Bring your cards, your time & talent - your JOY!

All month long, we've heard stories of what MPC means – stories of care, connection, and transformation.

That is who we are: Still Standing. Still Giving. Still Becoming.

On Sunday, June 7 - one service at 9:30am - we have the opportunity to respond.

Not just in words – but in commitment.

Your pledge is more than a number. It's a statement. It's a step of faith. It's a way of saying, I believe in this community – and I want to help carry it forward.

Together, those commitments allow us to build a realistic, faithful path ahead – one that sustains what we love and creates space for what's still becoming.

So as you return your pledge, know this:

You are part of something real.

Something needed.

Something that shines far beyond this corner of our town.

This is MPC.

This is More People Caring.

And this is how we continue to be a light in the world.

Through every challenge your giving helps keep God's light of love and justice shining in Mechanicsburg!

Bring your pledge cards June 7 or return them to the office!

Still Standing. Still Giving. Still Becoming. FAQs

Didn't MPC just have a stewardship campaign? We did! However, the need for a more transparent approach to what it takes to support MPC's annual budget and the decision to move to a fiscal year based on the program year, rather than the calendar year, has us kicking off a stewardship campaign to fund our ministry and mission from July 2026-June 2027.

Do I need to hand in a new estimate of giving if I filled one out in December/January? YES! Please do! And we invite you to prayerfully consider what it would look like to give at a personally meaningful level. As we look toward the new fiscal year beginning July 1, MPC is also facing some important realities. Rising costs for utilities, building maintenance, staffing, and ministry continue to impact the church, just as they affect families throughout our community. To support a balanced and sustainable 2026-27 budget, **we are asking the congregation to consider an overall 15% increase in annual pledge giving.** We know that is a significant ask, especially in challenging times. But we also believe it is both reasonable and achievable.

What if I already made my annual contribution? We are grateful for all the meaningful ways that people give. If you already gave your annual gift - THANK YOU! Please let us know what your estimate of giving is for the 2026-2027 program year, even if it will not be received until 2027.

What if I can't be there on June 7? We have a wonderful worship service planned for June 7, but understand if you can't make it. You can bring in your commitment any time - the following Sunday, during the week to the office, put it in the mail, or drop it off in the red box that's outside the front doors to the church.

Is there any way to do this online? Yes! At mechpresby.org there is a "Stewardship 2026-27" tab. You can find the link to an online pledge card there. Extra time & talents can be found under the "media" tab in the "resources" section.

What happens if MPC does not increase giving? Session has already taken steps to reduce expenses and strengthen financial oversight. However, the long-term health and sustainability of MPC ultimately depend on increased congregational support. Faithful giving is essential to sustaining the ministries, staff, programs, and facilities that make MPC an active and caring church community.

From our Pastor for Community Engagement

Friends,

I've been looking forward to the arrival of June, so I'm not sure how it sneaked up on me. I think it's fair to blame the fact that I had my flannel sheets on the bed waaay into May. Anyways....

June 14 marks my 11th year of ordained ministry. This time last year, I was finishing up my time in a position that made me wonder if I would get past my 10th Ordiversary. I am so very grateful that the Spirit has brought me to MPC for this season of ministry. Your care for me as a person and your growing trust in my pastoral leadership has been so very healing. Also - y'all are super fun.

I'll be away for vacation for June 8-21. Part of that will be staycation, but my sisters and I will be spending a couple of days at Disneyland to celebrate Pride. We've adventured together off and on, but the last few years, at least one of us had to step out to watch over mom. One of the instructions in mom's will was to travel together, so we'll raise a Mickey-shaped Ice Cream bar in Norma Gayle's honor.

So unless you want to be WAY Out & About and meet me in California... here are some more local options.

June 5 Meet Me at the Rock to bear witness to our neighbors that we stand for Peace, Love and Justice. We had several UCC friends join us IN THE RAIN in May, so the Spirit is clearly at work in this effort. I'm bummed to miss the 13th.

June 6 MPC Ice Cream Social. Obviously!

June 7 A Sunday filled with JOY! Communion, celebrating graduates, gathering in faith commitments and so much more. And we might just shed that "Frozen Chosen" nickname for a day.

Dungeons & Dragons X Legos is Coming to MPC!!

Tuesday, July 21, 5:30 PM

PW Conference Room

I'm looking for 4 adventurous souls to join me and a couple of my nerdiest friends for a single-session, family-friendly adventure in table top role-playing! We'll provide mini-fig characters, and everything you need to jump in and create a lego-fied story together! No prep work required, so newbies are definitely welcome.

RSVP by July 1 at my email lviau@mechpresby.org so we can prepare for the experience level of the party.

** If this date doesn't work for you, but you'd like to play sometime, RSVP anyway to let me know.

Jubilee Day Volunteer Opportunities!

Mechanicsburg's annual Jubilee Day is June 18th. And there are a few ways you can help out the Youth & our Welcome Committee.

Bottled Water Needed!

The Welcome Committee is requesting bottled water donations! Water is distributed by MPC's youth as they collect a fee from Jubilee Day attendees who park in our lot. A super convenient parking space and an ice-cold bottle of water – people tell us we're the best value in town! Please drop off donations in the old kitchen/storage room off the Sanctuary by Sunday, June 14th. Have questions? Please contact Whitney Maisano.

Planning to visit Jubilee Day Festivities?

If yes, please consider parking at MPC and supporting the youth! The cost is \$5 (all day) with all proceeds going to support Youth Mission projects. Or help us out for an hour or two and help park cars. You can sign-up here (copy and paste link): ttsu.me/5w4es9

Thank you, MPC – More People Caring!

MPC's Book Club will meet on **Tuesday, June 23, 2026 @ 7 PM** in the PW Conference Room. Our June selection is *Theo of Golden* by Allen Levi.

From Goodreads: His name is Theo (of Golden, Georgia). And he asks a lot more questions than he answers. A story of giving and receiving, of seeing and being seen, Theo of Golden is a beautifully crafted novel about the power of creative generosity, the importance of wonder to a purposeful life, and the invisible threads of kindness that bind us to one another.

If interested in learning more about MPC's Book Club, contact Terry Cornish, [tjhs\(at\)aol\(dot\)com](mailto:tjhs@aol.com).

The First Fridays Singles Group meets at **11:30 am on the first Friday of the month.**

June 5: We'll meet at 11:30 in the PW conference room. Bring your bagged lunch and a drink. We will eat at the church and then go to Silverside Cafe and Creamery at 25 Waterford Drive, Mechanicsburg for dessert.

UnTapped Conversations will not meet in June.

We will head to the ballpark and watch the Harrisburg Senators take on the Reading 'Fightin Phils' on Thursday, July 23. It's Thirsty Thursday as well as the legacy of the Harrisburg Giants will be remembered and their incredible impact on baseball history will be celebrated. Preschool Place: Summer break. Woo-hoo!!!

Summer break is a bit of woo-hoo and boo-hoo. When we don't have classes, the halls are eerily quiet. There are no giggles, shushing, or 'see you later alligator' goodbyes. But before long, we have our Summertime! program to brighten our days. It begins during the first week of June and runs for four weeks. Because our Summertime! program is multiage (three-, four- and five-year-olds combined) it is heavily play based. Having the opportunity for true free play is something that we build into the regular program year and is an even larger part of our summer.

Children have the opportunity to navigate a safe social setting, to learn how to cooperate with one another and to get along. Just like any skill, we need to practice listening, sharing, and taking turns. Making choices and facing consequences are a part of life. The children have different themes each week including the beach, camping and fireworks (crafts only). They are refreshed with water play in the sprinkler and water tables. Some artwork becomes a part of nature and stays on the driveway until the rain washes the cool chalk creations away.

The children enjoy messy snacks like ice pops and watermelon. Each year I fight the impulse to teach them how to spit watermelon seeds and see who can spit the farthest. First, we don't spit at preschool, and second watermelons don't always have seeds anymore! Bummer. We can all benefit from playing in the dirt, watching bugs crawl around and wondering what they are doing, and lying in the grass watching clouds roll by. Remember to take time to breathe, breathe, and relax this summer.

Grace and Peace,
Mrs. Taylor

“Christmas in July” Collection for MPC Care Bags

It’s that time of year when we get ready to brighten the holidays with our MPC Christmas Care Bags. These Christmas bags are given out to residents at the Dauphin County Work Release Center, to guests at three Christian Churches United homeless shelters in Harrisburg, to homeless clients in a program run by Community Cares in Carlisle, and to Fruitbelt Farmworkers in Adams County. Although it is only the start of summer, we are asking for donations now to gear up to make 325 Christmas care bags this December.

We need the following items (all items must be new and unopened except for calendars): 2027 Calendars, Warm winter gloves (if you can find them on “end-of-season sale”) Nail clippers (individually packed) Body wash (15 - 18 oz size) Shampoo (15 - 18 oz size) Deodorant (1.8 – 2 oz size; solid stick) Tissue packs (pocket size) “Forever” First Class Postage Stamps

Please bring your donations to the church from July 1 - 31 and place them in the box marked “Christmas in July Collection” in the Gathering Area. If you prefer to make a financial donation and have us do the shopping for you, please use the Mission Special Offering envelopes or mail a check to the church and write “Christmas in July Collection” on the memo line. Financial donations will also be used to purchase food items later in the year. If you have questions, please contact Renee Breen. Thank you for being MPC, “More People Caring,” and helping us be a blessing to people in our community.

Examples of helpful coupons include:

- Burger King
- Dunkin’ Donuts
- McDonald’s
- Wendy’s
- Any other fast-food or quick-service restaurant

Please place donated coupons in the bin marked Fast-Food Coupon Collection Drive in the gathering area.

Your generosity offers warmth, dignity, and a moment of comfort to someone who needs it.

Midwest
FOOD BANK®

The Mission Committee is planning a group volunteer opportunity at the Midwest Food Bank in Middletown.

The first opportunity is on June 4th from 9am-Noon. We will be leaving the church parking lot at 8:15am for anyone interested in carpooling. There is a sign-up sheet for this opportunity in the Gathering Area.

We are planning additional opportunities for September 17th and October 29th.

We will be helping as a group to assist Midwest Food Bank in their current needs, possibly repackaging food or gathering and loading items into containers for partners to distribute.

If you have any questions please contact Michael Heindel, meekel(at)yahoo(dot)com

Intergenerational Joy

Because of our congregation's generosity and support, the May 14th dinner for the Fruitbelt Farm Workers was a resounding success! I would describe the event as an international, intergenerational joy fest. My favorite moment was watching our beloved eighty-six-year-old Wayne as he happily held six-month-old Maria in his lap. To say that his smile was watermelon wide is an understatement. Everywhere in the kitchen conversations were taking place in both Spanish and English with ten-year-old Genesis acting as our interpreter. In a crowded spot on the kitchen picnic bench, Debi Gross played cards with a group of children while I was serving the six-year-old who only wanted strawberries, grapes, and three helpings of dessert for dinner. Toward the end of our visit, Steve Fish and Wilson burst into song, and I learned that Wilson, whom I have known for two years, loves to sing. Next time, we will need to bring a karaoke machine.

After loading up our cars and preparing to go home, Wilson took me aside and expressed his deep gratitude for the delicious food and for the friendship and love MPC has extended to him and all the other workers and their families. Without each of you, building these relationships and sharing God's love would not be possible. I am so grateful for every member of our incredible church community.

Thank you.

Blessings to all,
Susan

Fourth of July Picnic

Celebrate the 4th of July with the Fruitbelt Farm Workers! We plan to have a picnic in the orchard on Saturday, July 4th from 12:00 until 2:00. The workers love games, so be ready to play. Plenty of help is needed for this event to happen.

Sign up to help on Sunday, June 7th or Sunday, June 14th. You can also call Susan Van Zile at 717()766()8489 if you are interested in cooking, serving, driving, or playing.

Upcoming Dinner for the Fruitbelt Farm Workers

Our next dinner for the Fruitbelt Farm Workers is on Thursday, June 11th. If you missed the sign-ups and are interested in helping, contact Susan Van Zile at 717()766()8489.
