Dear Scholarship Committee,

I am writing to thank you for the opportunity to participate in The Randal D. Simmons Scholarship. I want to also thank you for selecting and actually taking the time to review my application, I know it was a long and exhausting process. It is a privilege to receive this scholarship; I was and still am surprised, excited and very much appreciative for this opportunity.

I will be an incoming freshman attending Xavier University of Louisiana in the Fall 2018, as a psychology major with a path to pre-med. My future plan is to attend medical school to pursue a career as a medical doctor; specifically being an Obstetrician Gynecologist. The financial assistance that this scholarship committee provided will open up more doors for my educational opportunities. This scholarship will enable me to keep pursuing my academic career.

Thank you again for your generosity and support. I promise you I will work hard and eventually give back to my community. I only hope that one day I can make meaningful contributions to the educational pursuits of future students just as you have made my dream a reality through your wonderful scholarship.

Sincerely,

Bria Tychimba
