Please be in the class on your assigned Sunday no later than 9:00 AM, for Prayer Time, and then to be ready to greet children with a smile and welcome them to KidZone. Don’t forget to wear your nametag when in the classroom. Helpers are a vital part of our ministry staff and we need to have you there. If you are not able to serve on your assigned Sunday, please switch with someone already on this schedule and inform one of the teachers of the change. It is important that we know in advance who we can expect to be in the classroom on Sunday morning.
