## MINISTRY RENEWAL FORUM III

### Creative Ways to Sustain Your Ministry When Funding is Tight

Monday, October 16, 2017 | 7 p.m. – 9 p.m.

First Baptist Church of Glenarden Ministry Center

3600 Brightseat Road | Landover, MD 20785

It does not matter if your organization is a church or other faith-based nonprofit. The struggles are the same. You're doing a good work — one that is helping people live lives of hope and promise. But funding is tight and there's never enough money to support all of your biblical mission. Our panelists have been there and they have suggestions. Join us as they share creative strategies to sustain ministry by creating other streams of income and raising more capital to support the work of ministry.
