MINISTRY RENEWAL FORUM I

The Church in the #MeToo#Churchtoo Era

Monday, February 4, 2019 | 7 p.m. – 9 p.m.
First Baptist Church of Glenarden Ministry Center
3600 Brightseat Road | Landover, MD 20785

This talk is designed to: (1) help churches and ministries begin to think about sexual abuse and exploitation in a way that puts the safety and wellbeing of their members, guests, staff, and others in a position of priority; (2) start a dialogue about why this is an important topic for the Church in today's highly charged and fast-changing environment; (3) explain the types of claims that can be made; (4) identify the financial and managerial risks for church leaders; and, (5) how to think and review the current risk to their ministry so that they can make their church a safer place for those who work, worship, and support the ministries they are called to.
