

SALEM BAPTIST CHURCH **FACILITY USE POLICY**

Salem Baptist Church welcomes the use of its facilities for any responsible, Christ-honoring function. All events must be in accordance with the beliefs of Salem Baptist Church and its doctrines. These guidelines are designed to prevent any abuse of the facilities and property. **Salem Baptist Church, its staff and members are not financially responsible for security, thefts, or accidents of any nature incurred during the use of the facilities. This is a large facility - do not leave valuables unattended at any time.**

Emergency functions (i.e. funerals) and/or member functions have priority of scheduling unless another function is already scheduled on the desired date. None of the facilities may be used for political functions or fund-raising purposes. **(See Note)** Religious, humanitarian, or educational functions that are sponsored and approved by a recognized non-profit organization are allowed. The church and its members reserve the right to refuse the use of the facilities to any group or person for any purpose that it deems inappropriate without any explanation. The Building & Grounds Directors must pre-approve all proposed events under the guidelines listed. Their decision will be final.

NOTE: Only Salem Baptist Church groups may use the facilities for fund-raising functions except by the approval of the Building & Grounds Directors.

All functions must be scheduled a minimum of two weeks in advance with the church office. An adult (21 years or older) must reserve the building and must also be present and in charge of the event. Please schedule a time to pick up your form at the church office (336-374-4419). A 25% deposit and completed application form must be returned before a date can be guaranteed. The deposit is fully refundable if the scheduled event is cancelled by contact with the church office before one week of the scheduled date. Eligible refunds will be issued by the church office within two weeks of the cancellation. At no time may any property (furniture, fixtures, equipment, utensils, etc.) of the church be removed from the buildings for any purpose unless prior approval is received by the Building & Grounds Directors. All participants must abide by the attached list of rules for the use of the facilities.

MEMBER USE OF FACILITIES

Members wishing to use the facility for non-church functions must submit a completed facility use application form to the church office to guarantee the scheduling of an event. Only active church members are exempt from any associated fees for the use of the facilities. Any excessive cleaning or damages to the facilities would be billed to the member to compensate the church for the resulting repairs or cleanup. A clean-up fee of \$100.00 will be charged unless the member agrees to thoroughly clean the areas used and return everything back to its original setup.

Note: Please be aware that the use of the facilities to members is a privilege, but there is a cost associated with use to the church. Donations are appreciated and will be used for the upkeep of the facilities.

NON-MEMBER INDIVIDUALS, PRIVATE GROUPS, AND NON-PROFIT ORGANIZATIONS USE OF FACILITIES

Individuals, private groups, and non-profit organizations not directly associated with the church must submit a completed application form prior to the guaranteed scheduling of an event, a non-refundable clean-up fee of \$100.00, and all associated fees as outlined under the fee schedule below. Any excessive clean-up or damages to the property of the church will be billed to the group in care of the financially responsible contact person. This billing would be in addition to the pre-paid fees.

WEDDINGS

Only active church members or their immediate family (children or grandchildren only) are exempt from the associated fees for the use of the facilities for weddings, receptions, and rehearsals. Members must submit a completed facility use application form to the church office to guarantee the scheduling of the wedding. A clean-up fee of \$100.00 per building is required for members *unless* the member agrees to thoroughly clean the areas used and return them to their original set-up and condition. **If the sound system is used, only a member of the Salem Baptist Church Audio/Visual Committee is allowed to operate the system. Both members and non-members are responsible for this fee. (See fee schedule below)**

Non-members using the church for weddings, receptions, and rehearsals must pay the full fee(s) (see fee schedule below) in addition to the clean-up fee of \$100.00 per building. A 25% deposit and completed application form must be turned in to guarantee your date. The remaining balance is due no later than one week before the wedding.

The custodial and secretarial staff will make every effort to meet your needs, but they do not work for the wedding party. Please make special note of Rules of Usage #3, #14, #15, and #16.

USE OF KITCHEN

If the kitchen is used, it must be cleaned up and left as found. All kitchen supplies other than cleaning supplies (disposable plates, cups, napkins, drinks, utensils, etc.) are for church functions only.
