

Spiritual Growth Leader

Position Specific Competencies:

- Christ-centered, Biblically-rooted, grace theology which expresses itself in loving and healthy relationships with others and personal freedom in sharing his/her personal story
- A team-player who works well with other members of the church staff and who has proven effectiveness in working with volunteers
- Displaying Christian character evidenced by a life of prayer, spiritual discipline, and sacrificial giving
- Interpersonal networking and supervisory skills
- Attention to detail and accuracy
- Ability to plan, organize and multi-task in a deadline intensive environment
- High energy level for the demands of a growing ministry

Key Job Responsibilities Include:

- Identifying, connecting, developing, training and overseeing those called to be facilitators and coordinators in foundational classes and core curriculum
- Developing and coordinating programs designed to help all people grow in all dimensions of their spiritual growth
- Developing tools that will allow all people to regularly measure their spiritual health and growth
- Teaching/Leading various classes as assigned
- Acting as liaison to the community keeping them aware of church activities, functions, services and general information related to spiritual growth and recovery
- Ministering to volunteer leaders and facilitators as needed
- Managing an approved budget for each of these responsibilities and processing all expenditures in a timely manner
