Kicking Things Off

Whose salvation are you praying for right now or who are you inviting to one of our services this season?

Getting Into It

Let's review. Why again is Jude writing this letter?

What potential damage can happen as a result of bad theology or bad motives by "wolves" from the outside? What about the damage from divisive, critical, fault-finding people from within?

Read Jude 17-25

So what is Jude's solution to this threat to church unity and the gospel? (see vs. 17-21).

Jude speaks of having mercy on others. What is our responsibility as believers for others who are on the edge of disbelief? (see v. 22-23)

What are you doing personally to help those around you, both believers and those yet to believe, to embrace the gospel?

Read 24-25. Ultimately, who is it that holds you firm? You? Others? Or God Himself? How is it totally encouraging that it is God Himself that holds you?

The Parting Shot
