The women of The First Presbyterian Churches of Haddonfield and Haddon Heights will provide treats and drinks.

MudGirls Studio's founder, Dorrie Papademetriou, has always been passionate about two things: art and social change.

MudGirls Studio has empowered disadvantaged women through training and employment and helps women transition onto a pathway towards self-sufficiency and out of poverty using clay as our vehicle to change lives through their own creations and sales of functional art and aesthetic utilitarian objects. These women gain a source of long-term supplemental income along the way.

Join women from throughout our presbytery to learn about this local south Jersey program of hope and resiliency.

MudGirls' art work will be available to purchase at this event.
