

The New Living Translations rendering of *Jeremiah 29:11* reads, *"For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope."* In seasons of uncertainty it is good to remind ourselves that the One who created this world and everything in it has a predetermined plan for our lives. We do not pretend to understand all the nuances of 2020 that we have experienced thus far, but we do understand that God has a plan.

Over the last thirty weeks/seven months that plan has included exclusive online worship experiences, three (3) in-person, in-building services, six (6) outdoor services, and this month a return to in-person, indoor worship gatherings albeit at a reduced percentage of capacity. During that season we have also experienced numeric and financial growth. We have enlisted more volunteers to join the Living Waters Dream Teams. And most importantly we have witnessed over thirty-five people re-commit their lives and/or enter into a relationship with Jesus Christ.

We continue to trust God's plan for our lives. The theme and vision for Living Waters this year has been Clear Vision – Open Our Eyes. We continue to ask God to show us His perfect way and will as we maneuver through the oddities of all that is coronavirus. Whether you are joining us for the in-person, indoor worship experiences or you continue to worship with us from the safety of your home campus, we pray that God reveals to you His purpose for you in this season.

Finally, we encourage you to keep us and the Living Waters Pastoral Staff in your prayers. This has been a challenging journey for the members of your pastoral staff, and they are ministering at the highest levels. Their sacrifices and ministry efforts have increased significantly and have seen incredible and effective results.

We pray God's choice blessings and His favor rests upon you and your family. We are thankful for your patience and prayers. We are so blessed to serve such an amazing church community. We love you!

## LW KIDS MINISTRY

Pre-School:

There's always a chance of rain in our lives. Many of us have already come through some pretty big rainstorms. Some of us are in them right now. People of all ages experience circumstances that leave us looking for someone who can help—someone who's got our back and can help carry the load. This month, we want to begin teaching preschoolers that God is the best Someone for the job. No matter what our situation or how uncertain our circumstances may be, we can know that God is with us wherever we go, and God's got it. This kind of trust in God is what allows us to Sing in the Rain.

Kids' Ministry:

Since the very beginning, not only has God has been true to His word but He's been faithful in His character. Because we know that God is good, we can live life with integrity. When Jesus lived on earth, He lived a perfect life that we are unable to live. Through His Spirit, we can become people of integrity. Who we are in private should match who we are in public. When we trust in God, we can be truthful in whatever we say and do.

Join us for an interactive devotion on Wednesdays at 6:30 pm on the LW Parent Facebook page!
