Expectations

I, hereby, make a firm commitment to the Presbytery of West Jersey's delegation to the 2019 Youth Triennium and expect to place a **high priority on all matters and events connected** with this experience.

I will be responsible and live in a community of 5,000 youth and adults and follow the guidelines for appropriate behavior provided by the denomination.

I will share my experience with my congregation and the presbytery.

It is my understanding that West Jersey Presbytery has established a policy that "any member of the W.J.P. delegation who does not attend the Triennium and has not notified the Triennium Committee prior to three months before the event (except in extraordinary circumstances) will be considered liable for the costs".
