**Thirty-Third**  
**Week in Ordinary Time**

*Good Morning!*

*We celebrate the Presentation of the Blessed Virgin Mary. We read 1 Maccabees 4:36-37, 52-59, 1 Chronicles 29, 10-12, and Luke 19, 45-48. Rejoicing and temple cleansing. After many years the people of Israel were able to rejoice and reclaim their temple. The gleefully repaired and honored God. Jesus clears out the temple area of money changers and selling of goods. The temple is a sacred place. We, in our lives, rejoice and repair. We recognize the temple that we are as we care for our bodies and our lives. We are refreshed with God's mercy and nourished with the love of Jesus. Rejoice today in your life and seek to repair that which needs to be repaired.*

*Peace,*

*"We praise your glorious name, O mighty God."*
