Wednesday in the First week of Ordinary Time**

Good Morning!

Today we celebrate Saint Hilary. Our readings come from Hebrews 2:14-18, Psalm 105, and Mark 1:29-39. Jesus shared in our humanity. Through sharing in temptations and suffering, Jesus can help those who are being tested. Jesus heals Simon's mother-in-law from her fever and she rises and waited on them. We can be helped through our trials and trust Jesus, who was human like us, understands what we are going through. Jesus is not just a miracle worker but a friend who walks with us and is at our side. Take his hand and walk with Jesus, allow Jesus to help you proclaim the kingdom of God is near and care for others.

Peace,
RevKev
