*Good morning!*

We celebrate Saint Boniface. We read Tobit 1:3; 2:1-8, Psalm 112, and Mark 12:1-12. What is your cornerstone? Upon which foundation is your life built? Tobit, a refugee in a foreign land, risks his life to bury a murdered kinsman. The owner of the vineyard leases his land to tenant farmers who scheme to overtake the land, beating and killing the owner's servants, and even his son. When our cornerstone is that which the builders rejected and we have placed our trust in it, then we live our lives every day at risk of being challenged but listened to, by those who believe. When Jesus is our cornerstone and our lives are built on the foundation of God's love, then we find the strength, joy, courage, and hope to live each day in faith and reap the benefits that the Lord provides. Fear not and live.
