**Wednesday of the Twenty-Second**  
**Week in Ordinary Time**

*Good morning!*

We read Colossians 1:1-8, Psalm 52, and Luke 4:38-44. What must have it been like to hear that the Good News was bearing fruit and growing around the world? Jesus continued to heal physically and spiritually, and as word of this spread, so the crowds grew stronger. As word spread and still spreads today, we carry the Good News as did those who have gone before us. We know of the intercession of the saints, the holy ones, and how the love of God continues to spread worldwide. Who has been an influence in your life? Do you know someone who has struggled physically and spiritually? When we turn to Jesus we know of his presence, his love, his healing, and his mercy. Like those around Simon's mother-in-law, we join in prayer for healing, Healing brings us to a normal way of living or an acceptance of how we are to live. We continue to learn like the Colossians, we continue to intercede and heal like the early followers of Jesus, and we continue to live, giving glory to God and proclaiming his name that fruit continues to come from those who believe.

*Peace,*

*RevKev*

*"I trust in the mercy of God forever."*
