**Monday of the Twenty-Sixth**  
**Week in Ordinary Time**

*Good morning!*

We celebrate the Holy Guardian Angels. We read Exodus 23:20-23, Psalm 91, and Matthew 18:1-5, 10. We celebrate the spirit of wonder and joy today. Angels lead us as messengers of God. Our guardian angels guide us and protect us. When we think of angels in a child-like manner, we playfully wonder and smile what they are like. Have you ever noticed a baby looking off into the distance and playfully smiling and following with their eyes something above? Could it be angels playing and dancing around us that they can see? Today thank your guardian angel for being with you and be attentive to the angels that lead us and guide us.

*Peace,*

*RevKev*

*"The Lord has put angels in charge of you, to guard you in  
all your ways."*
