*Good morning!*

We celebrate Saint John XXIII. We read Jonah 4:1-11, Psalm 86, and Luke 11:1-4. God's way is not always our way, as Jonah found out. We can be disappointed by our own expectations. God always has a way to teach us, love us, and challenge us, sometimes with great humor. Jesus teaches us to pray and in praying to ask God for what we need. Be grateful for your blessings and spend some time pondering the words Jesus teaches us.

*Peace,*

*"Lord, you are merciful and gracious."*
