**Week in Ordinary Time**

*Good morning!*

We celebrate All Saints. We read Revelation 7:2-4, 9-14, Psalm 24, 1 John 3:1-3, and Matthew 5:1-12a. What is our purpose in life? Does it fit into God's plan that Jesus spells out in the Beatitudes? Are we one of the peacemakers, called to be children of God? We can look to the Saints for examples of how to live such lives. Those much closer to us give us a better example of how to handle the trials and tribulations that life hands us because "the world does not know us." We celebrate all from every nation, race, people, and tongue who lived their lives seeking the Lord and loving their neighbor. "Blessed are they!"

*Peace,*

*RevKev*

*"Lord, this is the people that longs to see your face."*
