**Vacation Bible School**

This VBS invites kids to be gardeners in God's community garden. Everyone has a song to sing and a gift to bring! This is especially true in our community garden. Each member of the Garden Group is unique, and we need each of their gifts to make our garden thrive. Just like the characters in the Bible stories we learn each day, our gardeners know that the things that make them different are also the things that make them special!

Throughout the week, gardeners will be encouraged to wonder, shout, share, build community, and speak up for others. Daily themes will be explored through storytelling, structured play, crafts, and music. Gardeners will get to practice building community each day through snack and optional service components. Join in the fun and discover that community works best when "you're just like you and I'm just like me!"

**What is the cost?**

Your *suggested* donation of \$20/child or \$50/family (three or more children) can be mailed to the address below or brought on the first day of camp. This helps cover the cost of supplies.
