

## BEYOND THESE WALLS MINISTRY OPPORTUNITIES

### **The Vision:**

For over a year we have anticipated the building loan being paid off so work could begin on Beyond These Walls. That time has come and we are ready to go out and use the resources God has given us to reach and minister to as many people as we can for His Kingdom. I believe First Baptist Church will be a beacon of light to our community and surrounding areas as we meet the needs of people and help other ministries attain their goal of changing lives for Jesus Christ. There is much to do. All of us doing our part with God's help can do it.

### **The Call:**

Anything we do for the glory of God must have a calling and a passion for that task. My prayer is that each of us would ask God to show us what our passion is, then put that passion to work. Tonight, you will hear how you can serve in various ways. There is something for everyone to do, and we are looking for people to step up and help us lead in this vital ministry.

### **The Plan:**

At this time, we have chosen to focus our volunteer assistance on the six local ministries we contribute to monthly. There are many needs that we can take care of right in our own backyard. The following pages consist of volunteer opportunities for each ministry. The ministry opportunities are categorized by individual and group participation as well as ongoing projects. Also included is a sheet listing the donation needs each month.

### **The Next Step:**

There is a ministry opportunity for everyone. We ask that you -

- pray for the Holy Spirit to help you find your passion for one or more of these ministry opportunities.
- contact Jennifer Phillips ([jphillips@fbp.org](mailto:jphillips@fbp.org)) to sign-up for a ministry or for more information or [Click here](#) to fill out a Ministry Opportunity Interest Form.
- Once we hear from you – we will get you connected!
