Children shall not be released to anyone whose behavior may, as deemed by a reasonable person, place the child in imminent risk; provided, however, that if the agency reasonably believes that refusal to release the child could place staff or other children in imminent risk the agency may release the child, but must immediately call 911 or other local emergency services number.

After two (2) days, you must have a note from the child's doctor stating the reason(s) why they cannot go outside for 15-30 minutes.

Vacation/Sick/Inclement Weather Days

These days will be the only days you will not be charged for during regular weeks.

Children who will be attending for the full year will receive 10 days a year to be used as vacation, sick days or inclement weather days (or related to weather) starting January 1st of each new year. (Vacations run from January 1st to December 23rd). (Exception: if your child starts after July 1st, he/she will receive only two (2) days of vacation/sick/inclement weather days).

All vacation/sick day requests must be made in writing before or upon returning to school. All vacation/sick days must be used by December 23rd of the current year. Vacation/sick/ weather days may not be used for holidays and days not used will be lost. Only full-time students will earn vacation days.

Holidays and Center Closings

The CLC will close for the following staff paid holidays (regular charges will apply)

New Year's Day
Independence Day
Christmas Eve

Good Friday
Labor Day
Christmas Day

Memorial Day
Thanksgiving Day

The CLC will close for the following **Non-Paid Holidays** (parents will not be charged)

The Day after Thanksgiving
December 26-31st - Christmas Break

If the holiday falls on the weekend, the CLC will observe the holiday on either the preceding Friday or the following Monday. Parents will be charged for the closed holiday and no longer for the weekend holiday as before.

Inclement Weather Policy

In the event of inclement weather, there may be a need to close the CLC. Parents may get information concerning our status via Brightwheel, WATE TV, or WBIR TV. If the weather becomes severe at any time during hours of operation and a decision is made to close the CLC, watch for a Brightwheel message *first*, will also post on WBIR and WATE TV Stations. Parents will be expected to pick up their children by the specified time to ensure everyone gets home safely (late pick up fees will apply). Check for Brightwheel messages often as we will update it as needed. If the center has to close for the entire day due to inclement weather, you may use a vacation/sick/inclement weather day (see policy page 10). Delayed openings or early closings will be regular charges. (If the CLC is open for any portion of the day, regular charges will apply).

Emergency Procedures

In the event of an emergency or the need for evacuation, parents will be notified of evacuation routes/relocation sites and reunification plans by CLC Staff or Emergency Management Agency through telephone, email or public radio.

Photographing

Due to safety concerns and respect for each family, we are placing a "picture policy" in effect immediately. You may take as many pictures of the children during CLC Events, such as Christmas Program/Parties, Graduation, Easter, etc. *We ask that our families not put pictures of any child(ren) other than your own on social media.* We have some families who have requested that their children not be photographed for any reason. We want to honor all our family's requests.

Responsible Family Behavior

To be able to successfully care for your child and family, there must be a mutual respect between family members, staff and administration of the CLC. If at any time, a staff member feels threatened or is shown disrespect, families will be asked to leave the program and the child "dis-enrolled" at the Directors discretion.

Behavior Policy

As you know, all teachers and caregivers have to deal with occasional misbehaviors. It is our desire to keep these "inappropriate behaviors" to a minimum so that all our children can experience a happy and safe time with us. (Inappropriate behavior is defined as any behavior that negatively affects the physical or emotional welfare of another person.)

If inappropriate behaviors arise:

1. The behavior will be documented on daily reports and/or behavior reports
2. The teacher will notify the Director
3. The teacher and/or the Director will notify the parents of the child/children involved.
4. If the inappropriate behavior continues, the Director, teacher and the parents will have a conference to discuss possible solutions.
5. After these steps have been taken by the staff and the parents to end the specific misbehavior, and if the misbehavior has continued, the child/children will be asked to leave the program.

In cases of aggressive behavior by a child towards his/herself, other children, teachers and/or property or behavior that becomes a risk for Alpha CLC, the Director reserves the right to dismiss the child from our program immediately. In these incidents, the behavior policy will be overridden.

Biting Policy

Being in group care, biting does happen from time to time. We consider biting to be a behavior that needs to be addressed specifically. Our policy on this behavior includes several steps.

- The parents will receive written notification after the first incident.
- The parents will be called for a conference with the teachers and/or the Administration after the second incident. During the conference, the C.L.C. Administration will have recommendations and resources and will develop a plan of corrective action for the child/family/teaching staff to work together. All further bites will be evaluated, and action will be taken pending the severity and frequency on current and previous bites. Also, it will be evaluated if the parents are following the plan of corrective action and all recommendations. Administration will determine whether to re-evaluate plan of corrective action, send the child home or child expelled from childcare with or without possibility to return.
 - Upon the child's return, the child will be on an eight-week probationary period. If the child has another three incidents during that time, they will be asked to leave the program until the biting phase has passed.
 - Each child's slate will be wiped clean as they promote to new classes, which is typically, about every six (6) months and in the event of getting a new teacher in their room.

The C.L.C. Administrative Staff and Teachers will work tirelessly with the family in an effort to keep a child from being expelled. However, at the Administrators discretion, a child may be removed from childcare immediately given the safety of other children and staff.

We ask parents not to discuss behavior problems of children with others. We believe it is the responsibility of the teachers and the Director to deal with these issues.

Dress Code

Please bring your child in play clothes and dress appropriately for the weather.

1. Shorts must be worn under dresses, or they must be long enough that undergarments cannot be seen.
2. No flip-flops, open-toed sandals, or slip-on shoes.
3. Water shoes must be worn during water play.
4. Modest one-piece bathing suits must be worn for water play.
5. Clothing must be worn over bathing suits while inside the center.

What to Bring Each Day

Due to limited storage space for each child, we ask that parents only bring items needed each day to the CLC.

The CLC is not responsible for any extra items that may be lost or damaged.

All items must be labeled with child's name.

1. Diapers (usually 5 - 10, depending on age of child)
2. One diaper wipe container (refills can be brought as needed)
3. Extra Clothing (1 to 3 outfits depending on age. Please include socks)
4. A blanket for naptime (Please take blankets home on Friday to be cleaned)
5. One soft nap toy is acceptable or a pillow (as long as it fits in their cubbies)
6. Number of bottles needed for daily feedings.
7. Lunch (This includes a drink in a cup or a juice box and food that is in a microwave safe container).

What Not To Bring Each Day

1. More than enough supplies for the day.
2. No extra-large back packs for the preschool children (ages 2-4) due to limited space.
3. No toys, books or videos from home unless requested by the teacher for a special event.

Termination of Enrollment

Alpha Baptist Christian Learning Center reserves the right to terminate enrollment as a result of, but not limited to, the following circumstances:

1. Non-payment of tuition
2. Immunizations not kept up to date and on file
3. Continued violations of policies
4. Aggressive or dangerous behavior by child or parent
5. Our inability to meet the child's needs

A decision to terminate enrollment will be based on whether it is in the best interest the child, the other children in the program and/or overall operation of the center. Every effort will be made to correct the problematic situation before a final decision is made.

Failure to follow these procedures will result in families being dismissed from our program.

If childcare is no longer needed at the parent's choice, we require the balance be paid in full and a 2 week notice be given to Director or Assistant Director.

Please fill out this page and return it to the CLC office. We must have a copy of this page on file for each child.

We will be e-mailing our monthly newsletter to the families. Please provide us with your e-mail address if you would like to receive the newsletter. We will not use this information for any other purpose.
