

Covid Guidelines

Social Distancing–

Masks are required to enter the building and must be worn while in the building. All seats have been spaced 3 feet apart. Socializing should occur outside the building where masks are optional.

Offering-

An offering box will be placed at the back of the sanctuary.

Bathrooms-

Bathrooms will be open for those attending the service. Touchless soap and paper towel dispensers will be available, along with “NanoSeptic” self-cleaning products and touchless trash receptacles.

Water-

The water dispenser in the back of the sanctuary will not be available. People are advised to bring their own water to church. There will be no coffee hour.

It is our hope that these guidelines provide a sense of comfort so that we can come back to Church!
