

CHOIR

The Chancel Choir normally meets every Sunday morning to rehearse its weekly anthems for the traditional service. Our rehearsals begin at 9:30am, and go until about 10:40am, where we break before coming back at 11:00am for the start of service. We normally sing an anthem every week and help lead the congregation in singing all of the hymns.

However, during this pandemic, the choir is not meeting for rehearsals or performances until further notice. We hope to be back together soon, and to help bring music to the worship experience. But we also realize that it is important for our choir members to stay healthy, and to feel safe enough to come back before we officially start. If you have any questions about the Chancel Choir, please [email me](#) or [the church office](#).

-Heidi Thompson, Choir Director
