

PRIMETIMERS

We are a 50+ age group of young-at-heart folks who love to gather for fellowship, whether at the church or a day trip to a natural or historic spot. Please see the video by Joan Dauphinee on PrimeTimers.

While we feel we cannot hold PrimeTimers safely this fall at the church or on away trips, we are hopeful to run it again in the Spring of 2021.

For additional information or to be put on the email list for this group, [email Chris Leinenkugel](#)
