Hope Circle (Women's Circles)

Greetings, Ladies,

This is Nel Schickofke.....I am 81 years old now, and have been a blessed member of Presbyterian Women's Bible Study Circles for more than 45 years.

I am inviting you to come to the Hope Circle, and join in our Bible studies and friendship opportunities. We meet once a month at 1 p.m. Our leader

Shares news and the coming line-up of leaders for the Bible lesson. I have been inspired and enriched all these years by the excellent curriculum

Prepared by women theologians. Each year we study a different Bible topic that enriches women's lives.

We meet for 9 months, beginning in September, and ending in May. I have found the Christian friendships, inspirations from the Bible studies,

Sharing prayers, freewill offerings for the needy in our area, all to be a balm for the difficulties of my own life.

We pray – we learn – we laugh – we love one-another.

Please join us.....you too will be blessed.

Your friend in Christ,

Nel
