"I love Hope Circle. I have been a member since its founding about 15 years ago. One special aspect of our group is our Card Ministry. We send beautifully crafted cards to members of the church, as well as family and friends who are in need of a special hug. All cards are prayed over before being sent. Some are signed in the meeting where everyone can write a personal note. Others are sent from our Card Chairman. She prays over all of them and sends them out with our love and blessings."
