Join us on the Kindness Trail for

THE ENCHANTED FOREST SCARECROW TOUR

Set up: October 25

Breakdown: November 1

Join us for an interactive, socially responsible, event to create a forest filled with scarecrows depicting our favorite cartoon characters!

- We suggest scarecrows be built on PVC posts to be light and portable.
- Set up will take place on October 24 beginning at 10am with a Wilson Church preview after service on October 25.
- The Enchanted Forest will be promoted to the community for interactive, self tours during the week before All Saints Sunday (November 1).
- Tear down will take place November 1 after service (12:00 noon) Please plan to attend.
- Your scarecrow should be weather-resistant and decorated for the theme: Saturday Morning Cartoons.
- We strongly encourage everyone to visit their scarecrows in the Forest for periodic check-ins. During the time that your scarecrow is on display, you may make any necessary repairs to keep your scarecrow looking it's very best.
- Wilson is not responsible for repairs to any scarecrows on display.
- Please consider the area around your scarecrow so that visiting families can take pictures as keepsakes.
- Please come masked and be responsible for all in your party on set up and break down days

TIPS

- Stuff your straw into pantyhose to keep it in one place!
- Weatherproofing: Your scarecrows will have prolonged exposure to all kinds of weather. Make sure to seal porous materials, such as fabric and papier-mâché, with a water-repellent spray (3M or Scotchguard)
- Keep in mind that scarecrows make for, great Fall photo ops. Be mindful of our smallest guests who may want to have their picture taken with your creation!
- Questions? Contact Carol Droege at veggietalelady@hotmail.com.
