WILSON MEMORIAL UNION CHURCH WATCHUNG, NJ 07069 (908) 755-5020

## MESSAGE FROM OUR PASTOR...

In a recent issue of Christian Century magazine, the Rev. Peter Marty, editor, shares an important truth. He states this truth by way of illustration. He writes,

A parishioner told me recently that her daughter’s family had found the perfect church in Dallas. ‘They don’t go often,’ she said, ‘because the church live streams its services. They can watch it anytime. If the kids are playing in the family room or Mom or Dad are busy pulling brunch together, they can have worship on in the background. It’s really neat. Have you ever heard of this?’

As I read his words, I realized my reaction to “worship on in the background” was pretty much the same as his. One word conveys it: *Ugh*. The conclusion he makes, that “important truth” I referred to, has to do with the very fact that physically getting to church is an inconvenient choice rather than a convenient one. You know I’m right. Let’s be honest here. When we think about what is convenient in life, we think about things like prepared foods you can pick up at the deli counter; ordering what you need online so that all you have to do is hit a key and you will have it at your door in just a few days; watching a movie in the comfort of your own home where you can make your popcorn just the way you like it and even press pause when someone you’ve been waiting to hear from texts you, conveniently, on your cell phone. Experiencing worship, connecting with others in a family of faith, feeling stirred to remember who we are in the depths of our beings, being invited to love our neighbor as ourselves and join with others in figuring out exactly how to do that...none of that is convenient stuff. It takes commitment and dedication and steady resolve and yes, even at times courage. When has any of that been convenient??? Why would we expect that those things having to do with spirituality, faith or service should fit into our personal priorities for ease, comfort and little disruption? All of this is truly food for thought, isn’t it? And, that’s my purpose for bringing it up. Maybe you are like me. I need to be reminded time and time again that a rich and abundant faith-filled life isn’t about my likes and dislikes or my convenience. It’s simply about a rich and abundant faith-filled life.

Faithfully Yours, Barbara

### **A MESSAGE FROM OUR YOUTH DIRECTOR...**

February is one of those winter months that makes us think about summer. I know I do. It’s not only those warming thoughts of sitting on the beach that I think about, but it is the time of year where we think about our summer ministries. The two that we are working on require all of us to chip in and join the team.

Here is what is important to know to keep February warm. First we are working on our VACATION BIBLE SCHOOL! We hold VBS the last week of June and it is truly an “All Hands On Deck” experience. Our first meeting of volunteers will be Feb 25th after the morning service. If you are interested in using your gifts at VBS come here all about this summer’s program!

Second is our SUMMER MISSION TRIP. This year we are doing a multi-generational trip that is open to anyone over the age of 13. That means that whole families might have the opportunity to go as well as seniors who might want to assist with the relief efforts still proceeding from Hurricane Harvey as we travel to Port Arthur, TX Aug 5-11. On Feb 18th after the morning service we will have an informational meeting for all interested participants. You will learn where, what, when, and how much.

Finally, in the not so far off future, we want to invite all of you to participate in our Family Wednesdays during Lent. We will join the whole congregation for our Soup Suppers, followed by a family worship time that will run parallel with our Lenten Chapel Services. Keep an eye on the bulletin for more information as well as our Facebook page ([facebook.com/mywilsonchurch](https://www.facebook.com/mywilsonchurch)). This is an opportunity to help your family learn the journey of Lent in a way that speaks to all ages. Blessings, Michael

#### ***A MESSAGE FROM OUR BOARD PRESIDENT...***

Recently I had asked for a prayer from a friend who knew I was going through a rough spot. I had simply mentioned that I needed a prayer of support. Generally, folks reply with saying, “I will mention you in my prayers”, and then that is it. Instead, my friend replied back immediately in the email with a lovely supportive prayer. I felt so blessed, I actually cried. I hadn’t realized that my need, as small as it is, was answered just as if it was a major crisis, and it made me feel grateful that both my friend and God is listening. Even when I felt I couldn’t reach out and ask for God’s strength myself, a fellow Christian helped do that for me. Wow. How awesome is that?

I am now asking for prayers for our church, worship team and church Board for His guidance and strength. We know we have many challenges and changes that we need to face this year, and knowing that we have both God’s guidance and the support of the congregation will help us as we work to strengthen and grow our church, learning always to love one another more. Our church needs you and your prayers. Lorri Monetti

“Prayer is not asking. It is a longing of the soul. It is daily admission of one’s weakness. It is better in prayer to have a heart without words than words without a heart.” — Mahatma Gandhi

#### ***BOARD BRIEFS...***

1. **MINISTER’S REPORT** – Barbara reported on the success of the “Shop For Good” sale as well as the Advent Pasta Dinner, with the success of both due to the number of volunteers that helped. Moving the Advent workshop with the kids and their families to Sunday morning was also well received. We will be looking to expand all three events for next December. Barbara spoke of the new Confirmation Class that will begin shortly.

2. Barbara gave a “What’s Brewing?” presentation on “Let’s Talk about Grief”, her recent training, and discussed the group sessions she will be holding in the future.
3. **YOUTH AND FAMILY DIRECTOR’S REPORT** – Michael spoke about the progress of including the youth in our Sunday services. He thanked those that had stepped up to support him by assisting and taking on some of his responsibilities after breaking his arm. He spoke of the reception of watching the documentary of the Freedom Riders during the Second Sunday meeting, and was impressed by the comments and discussions that resulted.
4. **OLD BUSINESS** – In effort to create a safer environment to gather, the updated emergency lighting and exit signs have been put in place, as well as the new railing from the upper parking lot. We are looking for assistance on creating procedures for both emergency and medical evacuation. Carolyn Musacchio has offered to help coordinate.
5. The Board is finalizing a better pricing structure for any rental of spaces at the church, to assist when quotes are required, along with setting standards and policies. This should be in place by the beginning of February.
6. **NEW BUSINESS** - The Board approved the Deidre Seidel to the position of Financial Secretary, to assist in the recording of pledges and offerings

### **MARY ANN'S MITTENS...**

Our mitten tree collection ran from about December 15th through January 15th. We collected hats, scarves, gloves and mittens in memory of longtime church member Mary Ann Ingram (Lisa Renaud's mom) to distribute between Starfish (children's items) and The Somerset County Homeless Project (Adult items). In partnership with the Ingram Family and employees from Somerset Medical Center (Lisa's sister works in the blood lab there) we collected 244 items. THANK YOU to everyone who participated in this giving project (especially whoever hand knitted and crocheted items).

### **THE FRIPPERY THRIFT SHOP...**

The Frippery is the yellow house in the top parking lot and is open Tuesdays and Thursdays from 9:30am-12:30pm and first Saturday of the month, through June, also 9:30am-12:30pm. Happy Valentine's Day from all The Frippettes! Stop over to see what's new this month, on our household level we have 1000's of "new" items after our 3 day bag sale, Why pay retail??? Our clothing dept. is selling down winter items at ROCK BOTTOM PRICES and hope to have our Spring and Summer line up around the middle of the month, again,,, Why pay retail???

### **GRIEF RECOVERY GROUP FORMING...**

When you experience loss, people say you have to let go and go on with your life, but they don't tell you how. The Grief Recovery Method Support Group experience teaches you how to recover from loss with supportive guidance every step of the way. Remember, time alone will not heal your broken heart. A Grief Recovery Group will begin in April and will meet once a week for **8 weeks**. To let Barbara know you are interested, or to find out more details, email her at [stirlingpeters@verizon.net](mailto:stirlingpeters@verizon.net). The meeting times are as follows: **Tuesday, April 10, 17, 24 and May 1, 8, 15, 22, 29, 7:00-9:00pm.**

### **STARFISH AND THE FUTURE...**

Wilson Memorial's tight bond with Starfish goes back many years, basically to the beginnings of the Starfish Food Pantry in 1971. Over the years we have had many champions for Starfish in our church. I have mentioned in the past, but it warrants mentioning again that we "Wilsonians" (or are we Wilsonites?) contribute over 50% of the funds Starfish receives annually through our individual donations, Outreach, and the Frippery. Also grants from the Memorial Endowment Fund provided much needed new freezers that have helped enormously at the food pantry. Starfish could not exist without Wilson Memorial. While in recent years, I have been the primary conduit between Wilson Memorial and Starfish, that conduit will remain strong even when I am not here in New Jersey. The food that you bring in weekly will get transported to Starfish by Pam and Chip Davis or Cota Possien-Kania. The checks that you donate will be hand-delivered to the new Starfish assistant treasurer by Roberta Smith since both Roberta and Michael Townley are active in the Rotary and see each other weekly. So keep the food and monetary donations coming. Starfish needs you and the needy in Plainfield need Starfish.

Thank you all, Hugh Woodruff
