WILSON MEMORIAL UNION CHURCH WATCHUNG, NJ 07069 (908) 755-5020

MESSAGE FROM OUR PASTOR...

Please think about us, Tom and me. We are going to try and grow my favorite perennial from seeds. Do we absolutely know what we are doing? Not really. But, we are up for the adventure. These are very special seeds, too. I have always loved Rose Campions. Because the Rose Champion is not an easy perennial to find, for Christmas Tom gave me a couple of packets of these very special seeds. He actually had to order them from Monticello where Thomas Jefferson had such a passion for gardening. Just think, in a few months we are going to be admiring historic Presidential Rose Campions in our garden (if we can actually make this work...stay tuned)!

A seed is a marvelous phenomenon of nature to ponder. You look at this small, even tiny bit of “something” and you look at the flower or vegetable or tree or whatever comes from it, and you can’t help but think, “how was that flower or vegetable or tree inside *there*???” All that was added were the right conditions like soil, water, light, and time, and the end result is nothing short of spectacular given what you started out with. Not only that, my mind can’t wrap around the sheer massive number of different types of seeds naturally produced (or coaxed along) on our planet earth.

Recently we received a big, thick seed catalog in the mail. After being a little put out because I realized we are now on *that* mailing list, I opened up the book, *Johnny’s Selected Seeds, An Employee-Owned Company Serving Growers Since 1973*. Oh, my! There were vegetable and flower seeds listed which I would have never heard about in this life if I had not opened the cover of *Johnny’s Selected Seeds*. I had this undeniable urge to grow them ALL! (Don’t worry, I waited a few moments and the feeling passed.) On those beautiful and colorful 240 pages, I saw everything from Purple Graffiti Cauliflower seeds, to Striped Armenian Cucumber seeds, to Matt’s Wild Cherry Tomato seeds. I tell you it looks like you can grow mighty fine chili peppers from Flaming Flare Fresno seeds. Don’t you love the name? In addition, I saw flower seeds too many to count: Cupcakes Blush Cosmos, Galilee Mixture Larkspur, Empress of India Nasturtium. Are you feeling a little blue or life seems like too much these days? Find yourself a quality seed catalog and let your eyes be opened up to such beauty, such mystery!

Jesus was always noticing what went on in the natural world. And, in John 12:24 we read Jesus says, “Very truly I tell you, unless a grain of wheat falls into the earth and dies, it remains just a single grain, but if it dies it bears much fruit.” Hmmm... *seeds “dying” in the earth in order to bring forth life and much fruit*...there are a million sermons in those few words. As you continue your Lenten journey, as you walk the days of Holy Week with us, as you then join us in celebrating Easter; won’t you keep in mind the way of the seed? Sometimes it’s a little hard to wrap our minds around the concepts of death and resurrection as they apply either to our daily lives, or the end of our lives, or to Jesus. Don’t forget the wonderful and grand teachers that are seeds!

Faithfully Yours, Barbara

SOUP SUPPERS AND CHAPEL SERVICES DURING LENT...

We are carrying on our wonderful tradition of holding Soup Suppers and Chapel Services during Lent! This year’s theme will be **The Marks of Discipleship**. The suppers and services will be held on **Wednesdays, February 28, March 7, 14, 21**. We will gather at **6:30pm** in Fisher Hall for a simple, tasty meal of homemade soup, bread and dessert. Following the supper there will be a service of prayer, music and reflection in the Chapel from **7:30-8:15pm** (approximately). Of course, you are welcome to come just to the supper or service. You will be nourished by this series in which we enjoy food for the body and soul!

A MESSAGE FROM OUR YOUTH DIRECTOR...

Happy Lent? It's hard to know what to say in Lent because it's not supposed to be a "happy" season, right? Lent is about the sadness and sacrifice that comes along with the season before Holy Week where we remember the suffering and death of Christ. It's like saying Merry Good Friday! It just doesn't seem to work. I think it is because we look at suffering and sacrifice as something to be avoided, but I suggest that Jesus never does. Jesus suffered and gave up so much because of what he VALUED. 40 days of fasting and being tempted led Jesus to the man he wanted to be. The suffering of the cross led Jesus to the community (us) he wanted to create. If we can see our little "sacrifices" through the lens of the One we follow, we might find ourselves saying "happy Lent" with enthusiasm because we have now entered the season that gets us closer to the people we want to be. We have a few tools to help in your Lenten journey during the month of March. First, after every soup supper there will be a FAMILY LENTEN SERVICE open to all. We will continue to have our traditional services in the chapel, but this simply provides an opportunity to engage the entire family on the meaning and joy of Lent. Also, a specific opportunity for our teenagers is our annual HOLY WALK through NYC. This is led by me on the Wednesday of Holy Week (28th) from 9:00 am until early evening. We go on a walk looking for Jesus in some of the more out of the way places in NYC. Sign ups for that event will be coming soon or you can email Michael (wilsonyouthandfamily@gmail.com) to sign up early.

Blessings, Michael

A MESSAGE FROM OUR BOARD PRESIDENT...

Forty Years! That is how many years we have had this epic Covenant with Saint Mary's Stony Hill! Forty years of joining together for Thanksgiving Services, Unity Services, Blood Drives, as well as many opportunities for fellowship through youth groups and vacation bible schools. This agreement, which was twelve years in the making, made the New York Times, in its historical significance. Each year our church renews this agreement at our annual meeting. Please come to the Unity Program March 11 to help us celebrate this milestone!

BOARD BRIEFS...

1. MINISTER'S REPORT – Barbara welcomed the new Board Members, Sally Reagan, Lori Goucher, Pam Davis and Jenn Koester. The Confirmation Class began in January and the service of Confirmation will once again be held on Palm Sunday, March 25th. Class members and Mentors are: Doyle Hunsinger, Mentor David Wall; Meredith Marmolejos, Mentor Amy Watkins; Lauren Quinn, Mentor Laurie Conley; and Abby Wighard, Mentor Lori Goucher.
2. Barbara gave a "What's Brewing?" presentation on "The Science of Laughter", a DVD of Dr. Sophie Scott, whom she had the pleasure to hear in person at Chautauqua.

3. In March Karla Spivey will be joining us for "What's Brewing?" program March 11. She will be representing Homefirst, in Plainfield which we support through our Outreach Budget.
4. Barbara hopes to be leading a Grief Recovery group beginning in April for 8 weeks. This will be based on the Grief Recovery Method which Barbara talked about during the January "What's Brewing?" program. The dates are Tuesday evenings April 10, 17, 14 and May 1, 8, 15, 22, 29, 7:00-9:00pm. Please see her if you want to be a part!
5. YOUTH AND FAMILY DIRECTOR'S REPORT – Michael spoke about the positive feedback of including the youth in our Sunday services held in the sanctuary and will explore further discussion on how these services work for families with young children. Michael is continually exploring this process through relationships with colleagues across the country.
6. Michael discussed his visit to Port Arthur, TX, the site of the next Mission Trip, and about the devastation that still remains. Michael has put together packets and will begin introducing this year's mission trip. The packets can be accessed on the church website under ministries.
7. FACILITIES – Tony reported the roof is leaking in the room across from 5/6. Capitol roofing did the roof in fireside room and some drip edges need to be redone. Water may be coming in at the standing seam between there and library. Tony has call into the provider.
8. Tony showed some window film that will be tested on the sliding doors in Fisher hall for sun protection. The film is targeted for better HVAC efficiency, minimizing fabric and rug fading, comfort and visibility for slide shows by stage. Projected costs are \$3k for entire space, \$300 for test on sliding doors.
9. Tony and Paul discussed the posting of signs regarding signage for evacuation planning for any emergency procedure. Such signage and planning is helpful to all, but especially needed for outside groups utilizing our facility.
10. MEMORIAL ENDOWMENT – The Board approved the funding of the Eagle Scout project for Enzo Ruta to create and organize displays for a Historical Room. This project will collect much of the historical items of our church in the small room on the right by the Chapel, with shelves, displays, and frames, which will present them better.
11. OLD BUSINESS – Christmas Eve Service – A vote was held and the service will be at 10 pm in 2018.
