You're invited to the Wildwood Forest!

Our kids may know about God—but do they know who He *really* is?

Wildwood Forest at Wilson Memorial Church is a place where children will discover that God's character goes beyond their imaginations—and can be revealed in exciting, unexpected ways. During this year's Vacation Bible School (VBS), adventurers will embark on a thrilling journey into the Wildwood Forest, an inviting and mysterious place of discovery. In every corner of this program, children will encounter the fascinating, life-transforming nature of God and find that He is as wild as He is good.

Adventurers will experience and discuss the many facets of God's character in Bible stories at the Great Oak Theater, challenge their game-playing skills at Vine-Land Adventure Course, create memorable artwork at the Treetop Art Studio, enjoy a time of refreshment and rest with the tasty snacks at Harvest Grove, and fellowship with each other as they worship our amazing God at The Heights.

Every child has a special place in this forest. Adventurers in kindergarten through third grade can explore the heart of **Wildwood Forest** through the elementary VBS while those in fourth and fifth grades can enjoy a more extreme journey through **Wildwood Forest: Backcountry Trek**. As a special leadership track for advanced youth, those in sixth and seventh grade, we'll present **Project Adventure**. These options give us an opportunity to reach children at their own level.

We are already hard at work, planning to transform each Discovery Site into a fantastic, overgrown part of the forest, bursting with adventure and fun. Every activity children participate in is founded on biblical teaching, and it is our prayer that this forest trek will transform lives. Whether we're considering games, snacks, Bible studies, crafts or music, you can be assured we are doing it with your child and their faith in mind.

If you are looking for a week that will change your child's life, register them for the bold journey into Wildwood Forest—where kids and leaders alike discover the wild heart of God.

Blessings,  
Carol Droege
