VOLUME 2, #5

## JUNE BIRTHDAYS

Mrs. Reynolds 08  
Devon T. 20  
Nathan B. 21  
Waquama B. 22

We praise God for the blessing of another birthday for each of you.

## JUNE MEMORY VERSES

04 If you call the Sabbath a delight . . .  
you will find your joy in the Lord.  
Isaiah 58:13-14 NIV

11 Have faith in God. Mark 11:22 NIV

18 Love the Lord your God and . . .  
serve Him with all your heart.  
Deuteronomy 11:13 NIV

25 Anyone who loves Me will obey  
My teaching. John 14:23 NIV

## SAVE THE CHANGE

Remember to bring your extra change to help with the mission project for the South Pacific Division.

Look in the car, around the house, in your pockets, ask your parents, or ask someone to partner with you to save their change.

## BROOKS FAMILY SAYS THANKS

You signed and we sent a “get well” card to Elder C. D. Brooks. This let him know that we were praying for him after a recent diagnosis of pancreatic cancer.

The family would like you to know that they have received many messages from around the world, but all of them have been from adults. This was the first of messages from children. Your card has been hung up in the bedroom so that Elder Brooks can see it regularly and be encouraged by your caring.

## NATURE NUGGET

## FAREWELL TO 4<sup>TH</sup> GRADERS

If you joined Primary II class in 3<sup>rd</sup> grade, we have enjoyed your being with us for the past 2 years. This month, however is “graduation time” as you move to the Juniors Class.

May God be with you and your family as you continue to learn more about Him and His love for you.

Pictured above is the Rhino beetle. It’s sometimes called a Hercules beetle, because it is the strongest beetle on the planet. It can lift 850 times its own weight. That’s like your dad being able to lift a 747 jet, all by himself.

The “horn” on its head is only found in the male beetle. However fierce it may look, this insect is harmless.

## ARK TRAVELLERS

Several lessons during this 2<sup>nd</sup> quarter (April, May, June) have focused on Noah, the ark, and the flood. How many scrambled names of creatures do you recognize? See if you can find 10.

## CHILDREN TELL OF THEIR NEEDS

In Papua New Guinea lots of children love to come to Sabbath School. More than half the Seventh-day Adventists in PNG are children and youth! But in many places the children just have to sit under the trees for Sabbath School. This works fine when it doesn’t rain, but when it does rain it becomes very muddy and we just go in the church and sit with our parents.

A few of the Adventist churches here have places called “lamb shelters” where the children go for meetings such as Sabbath School, Adventurers, Pathfinders, and other things. We really need more lamb shelters for all of the kids here in PNG. Part of the 13<sup>th</sup> Sabbath Offering for this quarter will help build more lamb shelters for the kids here. Thank you so much for helping us to have a nice place where we can meet together and learn more about Jesus.
