

WELCOME

Frank Lloyd Wright was given the impossible task of rebuilding the Imperial Hotel in Tokyo in 1912. This job was going to be different as no comparable construction job ever before had been undertaken that took into account building size and earthquakes. With patience he laid plans for the immense building while trying to account for large magnitude tremors. In the planning, he found that eight feet below the surface of the ground lay a 60' bed of soft mud. Why not float the great structure on this and in some way make it absorb the shock of the earthquake? Construction began in 1919 amid ridicule and jeers of skeptical onlookers. It was not believed such a building could be built and withstand the major earthquakes Tokyo was prone to experience.

The first test came as the building was nearing completion. On April 26, 1922, the worst earthquake in 52 years struck Tokyo. The 6.8 Mw quake toped houses and buildings all over the city. However, the Imperial Hotel stood completely undamaged. A year and half later, a 7.9 Mw shook the city. This time the hotel took minimal damage. As it turns out, the mud amplified the earth's shockwaves, but the secondary and third-line of preventative measures kept the hotel standing.

In life, a great foundation is necessary. But it must also be reinforced with Bible study, Prayer, and worship. Only then can we stand strong and firm through life's storms and earthquakes. May our worship of Jesus this day strengthen your faith and relationship with Jesus. Welcome to worship.

FELLOWSHIP LUNCHEON | Today

You are invited to join us for our Fellowship meal immediately following Second Service.

INVITE YOUR ONE | September 6

September 6 we begin a 15 part endeavor to tell the story of Jesus in a new and creative way. Who could you invite to come? Here are 3 reasons to invite someone to this big event: **1) Jesus invited you.** You were invited to follow Jesus, and He has asked us to bring others to Him. **2) Inviting someone will usher you into a new spiritual adventure.** When you don't invite someone to come, you miss out on one of life's most incredible opportunities – being able to play a role in someone's life transformation. Being used by God to introduce someone to forgiveness, peace and ultimate purpose?! There's nothing more rewarding or energizing! **3) It will give the people you invite the opportunity to make a more informed decision about church and Jesus and eternity.** Prior to your invitation, they are making assessments based on what they've heard, on the media, and other portrayals of religion. Give them an opportunity to rethink things from personal experience and trust God with the process.

These popular phrases or ways of thinking are in direct conflict with what Scriptures actually teaches. This 5-week series looks at different phrases the Bible doesn't actually say, comparing them to what the Bible actually does say.
