

WELCOME

A seminary professor once told the story of how he met a man who claimed to have memorized the Old Testament—in Hebrew! Needless to say, the astonished professor asked for a demonstration. A few days later they sat together in the man's home.

"Where shall we begin?" asked the man. "Psalm 1," replied the theology professor, who, himself was an avid student of the Psalms. Beginning with Psalm 1:1, the man began to recite from memory, while the professor followed along in his Hebrew Bible. For two hours the man continued word for word without a mistake as the professor sat in stunned silence.

But the real surprise came when the demonstration was over. Even more astonishing than the fact that this man had memorized the Old Testament writings in the original Hebrew... He claimed to be an atheist!

How astonishing. Here was someone who knew the Scriptures better than most Christians ever will—yet didn't believe in God! The Bible reminds us that the Devil also knows the Scriptures and even believes that God is Who God says He is. Thus, the old statement is true—it isn't about what you know—it's Who you know. Have you put your hope and faith in Jesus today?

Welcome to SAF. Welcome to Worship.
