

# WELCOME

Years ago, when trains were still somewhat of a novelty, a young girl was taking a trip in this exciting and new mode of transportation. Somewhere not far into the trip, the train was going to cross a large river with two branches and several wide feeder streams. The tracks paralleled the river for a time, its fast moving water easily visible from the window in the train where she sat. Realizing they must cross the river, fears were awakened in her mind. Doubts arose as to how they might get across the river.

However, as they got closer to the place they would cross, a bridge loomed in her view. Twice more this experience was repeated. After the third bridge, the child leaned back with a long sigh of relief. "Somebody has put bridges for us all the way!"

That is life. We often fear a lot of things and see a lot of trouble looming. Difficulties can seem insurmountable. But the fact of the matter is, that way in advance of us being able to see a way through, God has built bridges for us. Isaiah 45:2 gives us this amazing promise: "I will go before you...and level the mountains. I will smash down gates of bronze and cut through bars of iron" (NLT).

May the God Who brought you here this morning, bless, fill, and fulfill you this Sabbath day. Welcome to Worship.
