

WELCOME

In her book, *A Slow and Certain Light*, Elizabeth Elliot tells of two adventurers who stopped by to see her, all loaded with equipment for the rain forest east of the Andes. They sought no advice, just a few phrases to converse with the Indians. She writes: "Sometimes we come to God as the two adventurers came to me -- confident and, we think, well-informed and well equipped. But has it occurred to us that with all our accumulation of stuff, something is missing?"

I wonder if Ms. Elliot isn't right: Do we often ask God for too little? We know what we need—or at least we think we do. We most likely would prefer a yes or no answer to a simple question. Maybe you'd prefer a road sign, something quick and easy to point the way. But what we really ought to have is the Guide Himself. Maps, road signs, a few useful phrases are things, but infinitely better is someone who has been there before and knows the way.

Welcome to Springdale Adventist Fellowship, where today, and every Sabbath, we see the Guide who can lead us home. As we worship God together, may His guiding presence be felt in your life and heart.

BE THE SWITCH

Living Your Calling While Living Your Life

Everyday, people live lives that they feel do not have a purpose. What happens when Christians struggle with the question, "What is my purpose?" Or, "How can God use me? I'm a nobody!"

As believers in Christ, we all have a calling. And while that calling may not be to go to Africa or enter into full-time pastoral ministry, your calling is still very much relevant and ever-so important. In this series we're going to take a look at what it means to make an impact right where you are in your life and how to discover what you're called to do.

Get ready to be the switch!
