

# WELCOME

In the eleventh century, King Henry III of Bavaria grew tired of court life and the pressures of being a monarch. He made application to Prior Richard at a local monastery, asking to be accepted as a contemplative and spend the rest of his life in the monastery. "Your Majesty," said Prior Richard, "do you understand that the pledge here is one of obedience? That will be hard because you have been a king."

"I understand," said Henry. "The rest of my life I will be obedient to you, as Christ leads you."

"Okay, here's what you need to do," said Prior Richard. "Go back to your throne and serve faithfully in the place where God has put you." When King Henry died, a statement was written: "The King learned to rule by being obedient."

When we tire of our roles and responsibilities, it helps to remember God has planted us in a certain place and told us to be a good accountant or teacher or mother or father. Christ expects us to be faithful where He puts us.

Today we begin a new series that examines living life and living our calling. May God's blessings be seen and felt and as seek Him today.

# BE THE SWITCH

Living Your Calling While Living Your Life

Everyday, people live lives that they feel do not have a purpose. What happens when Christians struggle with the question, "What is my purpose?" Or, "How can God use me? I'm a nobody!"

As believers in Christ, we all have a calling. And while that calling may not be to go to Africa or enter into full-time pastoral ministry, your calling is still very much relevant and ever-so important. In this series we're going to take a look at what it means to make an impact right where you are in your life and how to discover what you're called to do.

Get ready to be the switch!
