

# WELCOME

Noted Bible teacher E. Schuyler English told of Michael Billester, a Bible distributor who visited a small hamlet in Poland shortly before World War II. Billester gave a Bible to a villager, who was converted by reading it. The new believer then passed the Book on to others. The cycle of conversions and sharing continued until 200 people had become believers through that one Bible. When Billester returned in 1940, this group of Christians met together for a worship service in which he was to preach the Word. He normally asked for testimonies, but this time he suggested that several in the audience recite verses of Scripture. One man stood and said, "Perhaps we have misunderstood. Did you mean verses or chapters?" These villagers had not memorized a few select verses of the Bible but whole chapters and books. Thirteen people knew Matthew, Luke, and half of Genesis. Another person had committed to memory the Psalms. That single copy of the Bible given by Billester had done its work. Transformed lives bore witness to the power of the Word.

The Bible says, "Your Word I have hidden in my heart, that I might not sin against You" (Psalm 119:11, NKJV). May the Lord bless you this day as we seek Him in His Word. Welcome to Worship.

# CONNECT

## »» SERMON SERIES

They say history repeats itself. The Bible proves it. Everything you need to know about humanity is chronicled in colorful detail. Why do we do the things we do? Why do we choose the things we choose? Why do we prefer the forbidden fruit instead of the way of obedience? Genesis tells the story. It's the story of man running away. And God chasing after him to save him. It's the story of the Gospel of Jesus. And it can all be found in Genesis.

Beginning January 11, 2020...
