## » SERMON SERIES

They say history repeats itself. The Bible proves it. Everything you need to know about humanity is chronicled in colorful detail. Why do we do the things we do? Why do we choose the things we choose? Why do we prefer the forbidden fruit instead of the way of obedience? Genesis tells the story. It's the story of man running away. And God chasing after him to save him. It's the story of the Gospel of Jesus. And it can all be found in Genesis.

Beginning January 11, 2020...

### PREACHING SCHEDULE

Jan 04	Mike Colburn	
Jan 11	Pastor Benjamin	New Series Begins! Communion Service

### CONGREGATIONAL PRAYER | Mon - Fri, 5:45pm

You are invited to congregational prayer Monday-Friday at 5:45pm and Sabbath after fellowship meal in the sanctuary. This will last as long as there are people willing to pray. We are intentionally setting aside time to pray for our: Church Leaders, School teachers, Church unity, evangelism, ministries, and personal prayer requests. (These personal requests will not be the confidential prayer cards turned for Prayer Warriors; only what's on the heart at the time of prayers).

# WELCOME

Years ago, New York's Hayden Planetarium did a special Christmas holiday show that was enhanced with special lights and projections. In the show, a giant lollipop tree was projected onto the planetarium dome, surrounded by a horizon filled with brilliantly colored toys came to life and danced around the Santa Clause while "Jingle Bells" played in the background. At the climax of the show the huge figure of Santa Clause faded out in a massive snow storm, and moments later the Star of Bethlehem broke through the haze, the fog, and the darkness. The planetarium then reproduced the exact sky of the Palestinian night when Jesus was born.

When I read that story I thought, "Did the show's designer realize what he had done?" For in that simple but dramatic effect, he staged the ultimate Christmas message: We need to recover the significance and lost meaning of Christmas. For why do we need Jingle Bells when Angels are singing? Why a lollipop tree when Christ was born in a manger so He could ultimately hang on a real tree?

The instinct was right: fade out the commercials and commerce. Fade out the artificial lights, and look for the Light of the World. It is about God's incarnation that the angels sing—God with us. And those three words, "God with us," is the real meaning of Christmas. Merry Christmas. May God bless you this Sabbath Day and Christmas Season.
