

WELCOME

What would you do if you had an extra day?

Today is that day, for today, is Leap Day. One extra day to do something new, different, or exciting. Since it's a special day in the year, I thought I'd write about this day with a special Leap Year Edition... Did You Know...

...Julius Caesar is considered the father of the Leap Day? He instituted a leap day every four years when his Julian Calendar went into effect in 46 BC.

...Leap Year happens every four years, except when it doesn't. If the last two digits of the year are divisible by four, it's a leap year except in century years. Those years must be divided by 400 to be a leap year. So 2000 was a leap year. 2100 won't be.

...There are about 5 million people in the world, and 187,000 in the U.S. who celebrate their birthday's on Leap Day. Some famous people born on this day: Dinah Shore (1916); Tony Robbins (1960); Ja Rule (1976); and Pope Paul III (1468).

...The next time there will be 5 Sabbaths in February will be in 2048. It only happens 13 times every 400 years!

The Bible doesn't mention a leap day or year. But it does mention a time when God gave an extra 24 hours in the middle of the day to Joshua. You can read the story in Joshua 10:12-14.

What will you do with the rest of your day? I'm delighted that you chose to begin in here with us. Welcome to SAF!

BECOMING A STUDENT OF THE WORD || Wednesday, 6:30pm

A new mid-week Bible study group starting this coming Wednesday evening at 6:30. In this new study group, led by Mike Colburn, learn the inductive study method where the historical background, dates, key people of the text, and their concepts are brought to new understanding. Make observations about the text, and find new ways to apply what you've learned to your life in practical ways. This week's lesson: "Surveying the Shelves: Understanding the Basic Story of the Bible." (please note: this study does not replace Prayer Meeting.)

ARK ENCOUNTER TRIP POSTPONED

Due to some special circumstances, we are postponing the Ark Encounter Trip that had been scheduled for March 29 - April 1. As soon as we are able, we will reschedule the trip and once again advertise it. We apologize for the inconvenience.

"UndeFEETed" with GEORGE DENNEHY

Better known as "that armless guy", George presents his story on Friday, March 20 at 7:30 PM and Sabbath, March 21 at 3:00 PM at Ozark Adventist Academy (20997 Dawn Hill East Rd., Gentry, AR 72734). Although he was born without arms, he has taught himself to play guitar, electric bass and piano. He sings and plays music from his heart — using his feet! Come be inspired by this amazing testimony of victory despite seemingly unconquerable odds and circumstances!

SERMON SERIES

The Gospel According to Genesis

They say history repeats itself. The Bible proves it. Everything you need to know about humanity is chronicled in colorful detail. Why do we do the things we do? Why do we choose the things we choose? Why do we prefer the forbidden fruit instead of the way of obedience? Genesis tells the story. It's the story of man running away. And God chasing after him to save him. It's the story of the Gospel of Jesus. And it can all be found in Genesis. (Upcoming topics can be found on other side of bulletin on the WELCOME page.)

KIDS KORNER

There are 20 key words from Pastor Ben's sermon hidden forward, backward, up, down, and diagonal in the puzzle below. Can you find them?
