HOW TO:

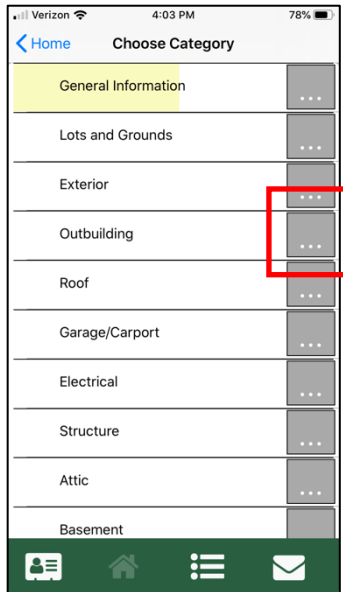

Delete Categories in the App

This step by step How To article explains how to delete categories in the Palm-Tech App

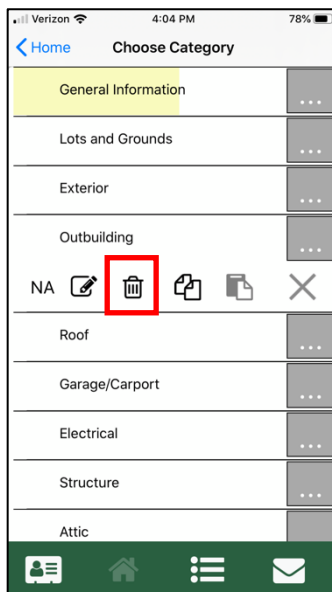

For a complete list of available How To documents, visit the Support section of our website: www.palm-tech.com/support/

HOW TO: Delete Categories in the App

1. The first step is to make sure you are on the 'Choose Category' screen in the Palm-Tech App.
2. Tap on the icon to the right of the category you want to delete. This will bring up the edit icons. In this example we'll delete the 'Outbuilding' category.

3. This will bring up several edit options to choose from. Tap the 'Delete' icon to delete the category.

HOW TO: Delete Categories in the App

4. After you tap on 'Delete' you'll be prompted with: 'Are you sure you want to delete this category'. Tap on 'Yes' and the category will be removed from the inspection.
