HOW TO:

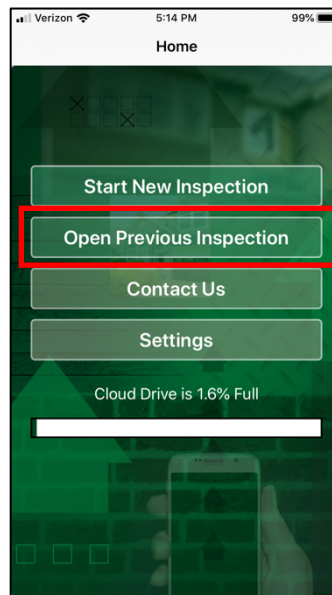

Open an Inspection from the Cloud on the App

This step by step How To article explains how to open an inspection file on the Palm-Tech app from the cloud

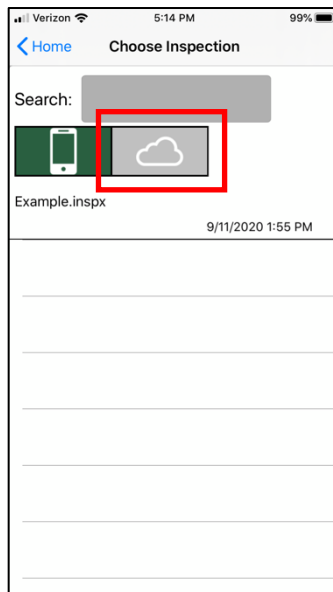

For a complete list of available How To documents, visit the Support section of our website: www.palm-tech.com/support/

HOW TO: Open an Inspection from the Cloud on the App

1. The first step is to tap on 'Open Previous Inspection' on the opening screen of the app.

2. Next, the 'Choose Inspection' screen appears. Here you will see a list of all the inspections on the local device that you can open. To see the inspections on your cloud drive tap on the 'Cloud' icon.

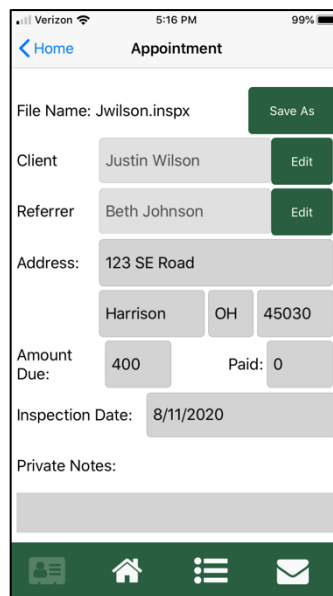

HOW TO: Open an Inspection from the Cloud on the App

3. You will now see the inspections on your cloud. To open an inspection simply tap on it.

4. You have now opened an inspection from the cloud.

5.
